

NOTICE TO IV-YEAR STUDENTS OF THE DEGREE COURSE IN PHARMACY

According to the agreement between the School of Pharmacy at the University of Nottingham and the University of Rome Tor Vergata, mobility opportunities are available for students from both institutions.

For students in their IV year of the Degree Course in Pharmacy, financial resources have been allocated to support the best students in pursuing an internship at the laboratories of the School of Pharmacy at the University of Nottingham in the United Kingdom.

Interested students officially registered in the IV year of the course should submit a motivation letter to apply for the four-month internship. Only two positions are available, and the selection process will be based on merit. This will be evaluated through documentation related to the coursework completed during the four-year program.

To be eligible, students must have passed all exams from the previous two years. The evaluation criteria will include the number of formative credits (CFU) earned and the weighted average of grades.

Please send your motivation letter to the following email addresses: laura.di.renzo@uniroma2.it and magdalena.acuna.villa@uniroma2.it, or submit it in person to Mrs. Magdalena Acuna by the deadline of March 15th, 2025.
