

Exam Procedures

- Before connecting to the virtual classroom, each student must check that they have a good internet connection. Should the examiner be unable to communicate with the student due to technical problems, the exam will be suspended.
- Each student must download Microsoft Teams.
- Each student must connect with a working webcam and microphone.
- Each student must present a valid identity document and show it to the webcam for identification when their turn comes.
- Each student must be alone in the room from which they connect to sit the exam.
- Students must join at the time indicated for their session, and it will not be possible to change session under any circumstances.
- Any question concerning the English exam must be written in the meeting chat, and it will not be possible to interrupt the exam while it is in progress.
- Questions regarding admission or other matters not strictly related to the English language exam must be addressed to the student office at the following address:
